I certify, due to flooding, that my property and the electrical system on my property, including the inside wiring of all buildings and structures, has been inspected by an electrically qualified person and has been deemed safe to be reconnected to Atchison-Holt Electric Cooperative's power grid. Furthermore, I hereby release and hold harmless Atchison-Holt Electric Cooperative, its agents, directors and all employees, from any and all liability for damages, injuries or death caused directly or indirectly, as a result of flood damage after reconnection to Atchison-Holt Electric Cooperative's power grid at the undersigned's request. If Atchison-Holt Electric Cooperative makes a trip to reconnect and finds my service is not safe to reconnect a \$150 Trip Charge will be assessed and is due before another trip is made to reconnect.
